The Frankston High School tennis entries who qualified for the Region III 2A Tennis Tournament on Wednesday, April 13 in College Station, competed but did not get a win, according to a report by Coach Christi Coker.

In boys doubles, Cael Bruno and Alex Oxford competed in a tight match against a team from Dawson and lost 2-6, 7-5, 4-6.

“It could have gone either way in the last set,” Coach Coker said.

In girls doubles, Bandy Bizzell and Lysie Bizzell lost to a team from Douglass.

In mixed doubles, Maggie Caveness and Luke Ward were matched against the No. 1 seed of the Region from Centerville. Coach Coker said the Frankston duo played hard but lost 1-6, 1-6.

“All the kids competed hard and we look for great things from the team next year,” Coach Coker said. “They represented Frankston very well. Great job, Indians and Maidens!”
